Hi, Mike:

We've been putting groups interested in TAG grants in touch with Sisay Ashenafi in Libby's Public Assistance and Involvement Unit. His contact information is:

Sisay Ashenafi, Grants Officer  
(303) 312-6138  
[Ashenafi.Sisay@epa.gov](mailto:Ashenafi.Sisay@epa.gov)  
US EPA Region 8  
Mail Code: 8OC

Denver, CO 80202-1129

You could also put her in touch with Libby Faulk since we have no CIC assigned to the CFAC site. That way she could also get information on the TASC program, too. Region 2 has also developed a comparison of TAG vs. TASC that she may be interested in. Let me know if you need anything else.

Thanks,

Joe

**Subject:** Tag grant for CFAC

Hi Joe,

I was contacted by a Caryn Miske, who stated she wanted to start a TAG for the CFAC project. Can you put me in touch with who I can direct her to so she can find out the rules and information to start a TAG? I think we should provide them with the TASK information as well.

Her email is Personal Matters / Ex. 6 and her phone number is Personal Matters / Ex. 6

Thanks,  
Mike
